Summer activities that aren’t interning

1. Volunteer
2. Get a “more serious” job
3. Job shadow
4. Learn a new skill
   a. Lynda.com is a great way to learn software
5. Take classes to lighten your load during fall and spring semesters
6. Travel and engage with local people
7. Work on your personal brand
   a. Including LinkedIn, Twitter, a website, or an online portfolio of your work
8. Find a mentor
9. Informational interviewing – as much as possible!
   a. Read this guide or check out this video for an introduction
   b. Listen to this podcast if you need inspiration/advice
